

April is "Flower Month" at the *Chautauqua Regional Youth Ballet*. CRYB students will be busy taking orders throughout the month of April for Geraniums and Hanging Plants supplied by Brigiotta's Farmland Produce and Garden Center.

Geraniums will be sold for \$15.00 for three 4 ½ inch plants. New Guinea Impatiens/Million Bells/Mixed Hanging Baskets will be sold for \$30.00 per 10inch plant. (These are wonderful Mother's Day gifts!)

What makes this fundraiser so appealing is that customers choose their own colors and plants at the time of pick-up at the Brigiotta Greenhouses located on Livingston Avenue.

This is a great way to support the students and programs of the Youth Ballet and at the same time beautify your home and yard with gorgeous spring flowers and plants from Brigiotta's.

Orders may be placed with any CRYB student. If you would like to order flowers but do not know a CRYB student, you may do so by calling the studio at 716-664-9766.

Flowers may be picked between May 1st and June 15th just in time for Mother's Day of spring planting
